IN DETAIL:

Kevin has been a commentator, security analyst, or interview subject on CNN, CNBC, Al Jazeera, FOX News, CBC, BBC, Radio Moscow, Tech TV, National Public Radio, Playboy, Good Morning America, and 60 Minutes - to name just a few. He has been called before Congress (both the House and the Senate) to testify on security matters affecting the United States. Kevin also works in partnership with KnowBe4 to produce critically acclaimed security awareness training programs. Kevin and The Global Ghost Team now maintain a 100% successful track record of being able to penetrate the security of any system they are paid to hack into using a combination of technical exploits and social engineering.

WHAT HE OFFERS YOU:

Using concrete examples, Kevin Mitnick shows what your business can do to develop a creative and engaging security program that heightens awareness, motivates employees to change their attitudes, influences them to think defensively, and encourages the adoption of good security habits.

HOW HE PRESENTS:

Kevin Mitnick shines brightest in front of a captive audience. His incredible wit and love for magic are why he's known within the industry as the "Houdini of Hackers". There's really no other way to describe his virtual events, webinars and live stage demonstrations; he truly puts on a show.
