

**Adrian Gilpin**  
Chairman of the Institute of Human Development

## CSA CELEBRITY SPEAKERS

Adrian Gilpin is the founder and driving force behind the Institute of Human Development and its Chairman. Adrian's work in the field of leadership development and peak performance coaching is rapidly becoming recognised by business leaders as cutting-edge. He is the co-developer of the Aspell-Gilpin Profiler - the world's most advanced personality profiling instrument.

**"Adrian Gilpin is best known for working with management teams to help them turn their organisations into an Inspired Enterprise"**

### In detail

Adrian leads the IHD's leadership research and programme development, mentors chief executives in the public and private sectors and coach's top teams. He spends much of his time on conference platforms challenging the old models of corporate leadership and offering practical and inspiring alternatives for managing change in business, education and society.

### What he offers you

Adrian Gilpin has designed and led some of the most effective and sustainable change programmes in British business and a number of organisations have retained him to coach their Managing Directors and senior executives in high performance leadership coaching. Adrian also works regularly within the public sector too and his personal passion is to impact the long term thinking about how we educate our children.

### How he presents

Adrian's presentations are a unique mix of story-telling, movie clips, wisdom, common sense and a deep understanding of what makes human beings tick and perform at their best.
