

The Hon. John Kasich
 Managing Director at Lehman Brothers & Former
 Congressman

CSA CELEBRITY SPEAKERS

IN BRIEF John Kasich is an eminent businessman, former Congressman and broadcaster. Today he serves as a Managing Director at Lehman Brothers in their Investment Banking Division. John remains dedicated to making a difference through politics. He is Chairman of New Century Project, a national grassroots organisation that helps elect leaders who believe in the power of the individual. Broadcasting on Fox News Channel, he takes a weekly look at news from around the nation and world, hosting From the Heartland with John Kasich. What he has to offer you the forces at play.

In detail

He played major roles in a variety of groundbreaking achievements during his 18 years in Congress. He also serves on the corporate boards of companies in the manufacturing, health, advanced materials and Internet technology sectors. Elected to the Ohio State Senate at the age of 26, then to the U.S. House of Representatives in 1982 at the age of 30, he was the only Republican in the nation to defeat an incumbent Democrat that year. He decided not to seek election to a 10th congressional term so that he could pursue new challenges and experiences outside of Washington. A stand-in host for The O'Reilly Factor and contributor to other Fox News shows, he has hosted Heroes with John Kasich, which highlighted the lives and accomplishments of individuals who have done extraordinary things to improve their communities or the lives of others.
