

Marvin Zonis

Political Economist

CSA CELEBRITY SPEAKERS

Marvin Zonis is a Professor Emeritus at the Graduate School of Business at the University of Chicago, where he teaches courses on International Political Economy, Leadership and Business Strategy. He is also a best-selling author, has appeared on numerous network television news programmes, and he has also published articles in leading international newspapers around the world.

A true world authority on risk management and world economic growth

In detail

He heads Marvin Zonis & Associates Inc, one of the most respected political risk consultancies. He is working with corporations and professional asset management firms throughout the world to help them identify, assess and manage their political risks in the constantly changing global environment.

What he offers you

With an acute awareness of politics, economics and emerging technologies, he offers decision makers the tools to be able to decide what they must do to stay competitive in the global market. He explains and analyses the transformations in the social, political and economic environment worldwide and the implications for business and public policy.

How he presents

He is a stimulating and magnetic speaker whose qualities are best illustrated through examples of his speeches and presentations and the feedback from the numerous business executives who have heard him speak.
