

Prof. Dr. Norbert Walter

Former Chief Economist of Deutsche Bank Group

CSA CELEBRITY SPEAKERS

Norbert Walter is the former Chief Economist of Deutsche Bank Group and Head of Deutsche Bank Research. At Deutsche Bank he led the economic analysis section of Germany's largest commercial bank and was responsible for their globally integrated approach to economic research. Norbert Walter is now the Managing Director of his own company Walter & Daughters Consult.

'He says himself, he is like a cup of espresso: small, dark and strong'

In detail

In addition to holding the responsibilities at Deutsche Bank, Professor Walter was a member of the Committee of Wise Men on the Regulation of European Securities Markets ("Lamfalussy group"). He was also Professor and Director at the renowned Kiel Institute for World Economics and was a John J. McCloy Distinguished Research Fellow at the American Institute for Contemporary Studies at the Johns Hopkins University. He appears regularly on the evening news bulletins and is frequently asked by national and international media to comment on economic related issues.

What he offers you

An expert on Europe's economy with a keen interest on a global perspective, Norbert Walter's predictions on market trends are usually extremely accurate and his advice on how to be competitive and innovative in the international business arena are invaluable for decision makers around the world.

How he presents

A highly popular forecaster and commentator on the Global Economy, Professor Walter's presentations are highly informative and thought provoking.
