IN DETAIL:

The Noise primarily deal with short-form improv, and it is their impeccable quick wit and razor-sharp gags that ensure they stay unique, as, unlike other improvised troupes, they are able to perform aptly on the stand-up circuit. With absolutely no script, they have an uncanny knack of transforming audience suggestions into fantastically funny scenes and songs in the blink of an eye with a perfect blend of ludicrous characters, witty one-liners, epic stories, and explosive physicality. These young guys have acutely sensitive funny bones and fast reactions. Most importantly, they have a fantastic chemistry and camaraderie that makes the whole thing work. The Noise Next Door have appeared on BBC's The One Show, BBC Three and BBC Online. They have written music for ITV2's Britain's Got More Talent and have also featured in several advertising campaigns (Kenco, Toyota, Clipdash). What they offer you Unstoppably funny and uniquely talented, The Noise Next Door are well on their way to becoming comedy's next big thing with their infectious and feel good brand of humour. They leave audiences in awe of their lightning-quick wit and breath-taking comedic talents.
