

Professor Clayton M. Christensen

Professor of Business Administration, Harvard Business School

CSA Celebrity Speakers Ltd

Clayton M. Christensen is the architect of and the world's foremost authority on disruptive innovation, a framework which describes the process by which a product or service takes root initially in simple applications at the bottom of a market and then relentlessly moves 'up market', eventually displacing established competitors. Consistently acknowledged in rankings and surveys as one of the world's leading thinkers on innovation, Christensen is widely sought after as a speaker, advisor and board member. His research has been applied to national economies, start-up and Fortune 50 companies, as well as to early and late stage investing.

In 2011 Thinkers 50, the global ranking of management gurus, placed him 1st in the list of most influential thinkers

In detail

An advisor to numerous countries and companies, including the government of Singapore, he is a board member at India's Tata Consultancy Services (NYSE: TCS), Franklin Covey (NYSE: FC), W.R. Hambrecht, and Vanu. Christensen also applies his frameworks via management consultancy Innosight which he co-founded in 2000, and Rose Park Advisors, an investment firm he founded in 2007. Prof. Christensen holds a B.A. with highest honours in economics from Brigham Young University. He received an MBA with High Distinction from the Harvard Business School.
