

Peter Diamandis

Leader in Achieving Innovation

CSA Celebrity Speakers Ltd

Peter H. Diamandis is a world-class leader in driving breakthroughs and incentivizing open source innovation. He is the Chairman and CEO of the X PRIZE Foundation, which leads the world in designing and launching large incentive prizes to drive radical breakthroughs for the benefit of humanity.

"Peter is a truly exceptional visionary"

In detail

Dr. Diamandis attended the MIT where he received his degrees in molecular genetics and aerospace engineering, as well as Harvard Medical School where he received his M.D. As co-Founder & Chairman of the Singularity University, a Silicon Valley based institution partnered with NASA, Google, Autodesk and Nokia, he counsels the world's top enterprises on how to utilize exponential technologies and incentivized innovation to dramatically accelerate their business objectives. Best known for the Ansari X PRIZE for private spaceflight, the Foundation is now launching prizes in Exploration, Life Sciences, Energy, and Education. He is also a global leader in the commercial space arena, having founded and run many of the leading entrepreneurial companies in this sector.

What he offers you

Peters is a dynamic inspirational speaker. He delivers real value to his audience by showing how to drive breakthrough thinking and innovation within their company that offer clear, measurable and objective results. He shows how technology will transform companies, governments and industries over the next 5 to 10 years.
