

Star

One of the Most Popular Bands on the UK Party Circuit

CSA Celebrity Speakers Ltd

Star is an international show band in the broadest sense of the word, who have cruised across the Atlantic aboard the world famous QE2 and worked in Portugal, France, Holland, Germany, The US and The Middle East. The band performs regularly for the most prestigious events and glittering occasions in the country's top venues. They have entertained members of the Royal Family - including Prince's William and Harry - and other European Heads of State, leading politicians and statesmen. The band also entertained members of The Royle Family as they recently performed at a charity ball, organised by members of the cast of the BBC TV sit-com.

"Even people who never normally dance were up on the dance floor"

In detail

Lead by vocalist / guitarist Nigel Smith, the band plays a wide repertoire of music featuring classic songs from the past four decades and the best of today's chart hits. The current line-up has been together for more than five years and their experience, musicianship and sheer professionalism have produced a band which is widely acknowledged as one of the best of its kind in the UK. Star is a nine piece band featuring drums, bass, guitar, keyboards, sax, trumpet, lead male vocals and two female singers. They can also augment with additional brass, percussion and vocals, up to a 12 piece band.

What they offer you

Star is in great demand for corporate events and charity balls for audiences of all ages. Brilliant entertainment, an experience that everyone says they will never forget. Whatever the event, the band treats every occasion with the utmost importance and gives the same professional, exciting performance whether in a small intimate venue or the grandest arena.

How they present

Star boasts a state of the art computer controlled 'intelligent' lighting set-up, including (for the technically minded) the latest HPE Mini-Goldscans, a crystal clear but powerful sound system and a star cloth backdrop. This top grade equipment complements an ever changing stage show which features choreographed dance routines and a wide range of superb costumes. Dressed in 'black tie' for a formal opening set, the next minute Star appear in colourful suits and Carnival costumes, or in authentic Rock n Roll outfits, Blues Brothers costumes or in the latest 'cool' gear. Every evening with Star culminates in a New Year's Eve style climax, complete with exploding confetti cannon.
