

Andreu Mateu

Europe's Leading Motivator & Founder of Dreams and Adventures

CSA Celebrity Speakers Ltd

Andreu Mateu rose to international fame in 1992 as an adventurer spending three years travelling around the world to 120 countries via 131 different means of transportation. He named his journey The Transcovery Project and has appeared in many TV shows in Europe and the USA to inspire and tell tales of his incredibly experiences.

"Andreu Mateu is a truly inspirational speaker"

In detail

Andreu Mateu achieved his academic goals: a degree in Economics and an M.B.A.. Whilst pursuing his dream across the globe, Andreu swam the Straits of Gibraltar, sailed solo across the Atlantic Ocean in a 30 foot boat, crossed Europe by motorcycle, jumped from an airplane at 12,500 feet and traversed the entire length of Africa by motorbike. His gruelling travels involved everything from balloons to canoes, horses to elephants, helicopters to jeeps throughout all 7 continents.

What he offers you

One of Europe's leading motivational and inspirational speakers, Andreu Mateu has lectured widely and now travels extensively in Europe with his remarkable experiences. Entertaining, inspiring and jaw-dropping, he shows how patience, persistence and passion helped him achieve his goals.

How he presents

Andreu Mateu's unforgettable speeches are full of anecdotes from his adventures, which not only entertain, but help to inspire audiences to achieve the enormous potential they have, hidden within themselves. With the natural charisma to hold audiences, his presentations are visually spectacular with video footage of his travels.
