In detail

Anthony turned professional in July 2013 and for the next three years he remained undefeated in all 19 of his fights. This included his first successful defence of a title; the Heavyweight belt that he won in April 2016 against USA's Charles Martin and retained in a fight with Dominic Breazeale later that year in June, knocking him down twice in the 7th round. AJ wound up the year by retaining it for a third time in December against Eric Molina. He then produced the performance of his career to add the WBA Super Heavyweight title to his IBF belt as he beat Wladimir Klitschko by TKO in the 11th round at Wembley Stadium.
