

Danah Zohar

Educator, Physicist, Philosopher and Management Strategist

CSA Celebrity Speakers Ltd

Danah Zohar is best known for her ground-breaking work on the spiritual intelligence, SQ. She examines how SQ creates integrity, morality and individuality and makes the difference between competitors and winners. She was instrumental in Shell's highly successful transformation in the United States.

Is spiritual intelligence the difference between winners and losers

In detail

A visiting Fellow at the Cranfield School of Management, she also teaches in the Oxford Strategic Leadership Programme at Oxford University. Applying her extensive knowledge of the new sciences to practical, hands-on techniques that businesses can use, she has lectured widely throughout the world. She has worked with numerous prestigious organisations.

What she offers you

Applying her philosophy and experience of the workings of the human mind she shows you how to embrace rapid social and technological changes and use them for personal and organisational benefit. Grasp SQ and see what underlies your values and beliefs, your sense of perception and ultimately the reasons behind your actions.

How she presents

Both highly intelligent and personable, she uses her vast experience to educate and stimulate you with her insight and truly remarkable grasp of new principles for business leadership.
