

Prof. Daniel T. Jones

Founder and Chairman of the Lean Enterprise Academy, UK

CSA Celebrity Speakers Ltd

Professor Daniel T. Jones is the Founder and Chairman of the Lean Enterprise Academy in the U.K., a senior advisor to the Lean Enterprise Institute, a management thought leader and mentor on applying lean process thinking to every type of business, and has also helped establish the Lean Global Network of 18 non-profit institutes to spread lean thinking around the world. Daniel was a member of the U.K. Government's task forces on Rethinking Construction, Manufacturing Futures, Automotive Innovation, and Growth and Skills for Sustainable Communities.

"A leading expert on Lean Thinking and Practice"

In detail

Daniel helped establish the first company University in the UK at Unipart, wrote the UK Government's Lean Thinking for the NHS and organized the first Global Healthcare Summit. Daniel mentors a dozen hospitals in the UK, Italy and the USA and published Making Hospitals Work. He is advisor to the European Efficient Consumer Response movement and editor of the International Commerce Review. Daniel holds a bachelor's degree in economics from the University of Sussex.

What he offers you

Management thought leader, and mentor on applying lean process thinking to every type of business, Daniel is dedicated to helping corporations to identify and achieve first-class performance levels throughout the globe. In his enlightening presentations he shows decision makers how, by implementing Lean Thinking, firms can do more with less, respond more quickly to customer needs, create more rewarding jobs for employees and reduce their impact on the environment.

How he presents

An experienced speaker, Prof. Jones' presentations are packed with practical, targeted advice that can be actioned by organisations wishing to increase efficiency and, therefore, profitability.
