In detail

Dave's stand-up career began in 1992 after many years writing routines and sketches for other comedians, TV and radio. Since that fateful day, Dave has spent the intervening years developing a variety of top class sets to cater for every audience.

How he presents

Dave has a distinctive style and approach to comedy - The Guardian described him as, "...a comic who walks a tightrope between the comedy of the everyday and the surreal, pausing occasionally to place a foot down firmly on either side." Indeed Dave is one of the very few comedians who works with great success in both the Alternative & Mainstream arenas.
