

Flemming Larsen

Former Deputy Director of Research of the IMF & Former Senior Representative of the IMF in Europe

CSA Celebrity Speakers Ltd

Flemming Larsen currently acts as an independent advisor and consultant, and speaks frequently on a range of global financial and economic issues. Recent topics have focused on the Sovereign Debt Crisis in the Euro Area, the Disappointing Recovery from the Deepest Recession since the 1930s and The Risk of a New Financial Crisis. He contributes occasionally to a Danish newspaper (Weekendavisen). From 1992-2000 Mr. Larsen had the senior responsibility for the International Monetary Fund's (IMF) World Economic Outlook, the Fund's flagship publication and probably the most authoritative survey of global economic trends and policy issues.

"Flemming Larsen is a highly regarded speaker"

In detail

Flemming served as Director of the IMF's three European Offices in Paris, Brussels, and Geneva, and as the Fund's senior representative in Europe. In this function he and his staff represented the IMF in a number of international organizations based in Europe, including the Organization for Economic Cooperation and Development, the World Trade Organization, and the Bank for International Settlements. In 1990-92 Flemming was Division Chief in the European Commission, with responsibility for international monetary affairs. Originally trained as a banker, Mr. Larsen holds degrees from the University of Aarhus, Denmark.

What he offers you
