

Graeme Leach

Renowned Expert in Economics, Politics and Global Economic Outlook

"One of the UK's leading experts on the economics and geopolitics of the UK and the EU"

Graeme Leach is CEO & Chief Economist of 'Macronomics', a geopolitical, macroeconomic and future megatrends research consultancy launched in 2016. He has worked globally, acting as the figurehead for 35,000 international business leaders.

TOPICS:

- Geopolitics of the Global Economic Markets
- Economic Supremacy in the 21st Century
- Future Economic Policy Trends
- UK and Europe's Monetary Outlook

LANGUAGES:

He presents in English.

IN DETAIL:

Graeme was Director of Economics and Prosperity Studies at the Legatum Institute, before he formed Macronomics. This background in driving prosperity set Graeme up with the techniques he needed for establishing a consultancy firm. Between 1997 and 2014 he worked as Chief Economist and Director of Policy at the Institute of Directors (IoD), where he was also a Main Board Director representing the IoD in economic policy discussions with the Chancellor of the Exchequer and 10 Downing Street. Earlier in his career he was Chief UK Economist and Chief International Economist, at The Henley Centre for Forecasting. He was also Economic Adviser to the Scottish Provident Investment Group.

WHAT HE OFFERS YOU:

Graeme can confidently make predictions for our uncertain future from combining his advanced research and making sense of the bigger picture. He is an expert of the 21st century economy; a master at predicting trends and explaining complex financial problems, making him an ideal keynote speaker for the financial sector.

HOW HE PRESENTS:

Graeme delivers his messages in a simple, engaging and clear way. He is accomplished at forecasting trends for the future of the economic markets.
