What he offers you

Regarded by many as the best comedian that Britain has produced in many years, and easily the most witty and original, Harry uses his wealth of anecdotes to entertain and amuse audiences from all fields and he is continually sought after as an after dinner speaker and conference host. He exudes warmth and spontaneous good humour, and it's always a delight to be entertained by him.

How he presents

Harry's comedy is bizarre to some and it really is quite hard to define what kind of comedy it exactly is, but the most referred name to this type of comedy is "Surreal". The main thing is though, that it is very, very funny!
