

Prof. Jay Galbraith

Internationally Recognised Expert on Organisation Design

CSA Celebrity Speakers Ltd

Dr. Jay Galbraith is an internationally recognised expert on Global organisation design. He is the president and founder of Galbraith Management Consultants, an international consulting firm that specialises in solving strategy and organisational design challenges across corporate, business unit and international levels. Dr. Galbraith is an Affiliated Research Scientist at the Center for Effective Organisations at the University of Southern California and Professor Emeritus at the International Institute for Management Development (IMD) in Lausanne, Switzerland.

The phenomenon of the global customer is growing in importance every day and so too is the global-customer-centric organisation

In detail

Dr. Galbraith has written numerous articles for professional journals, handbooks, and research collections. Jay's widely-used Star Model, has successfully transformed organisations across a broad span of industries. Currently, he is focusing on rapidly reconfigurable organisational units to accommodate the demands of customers and markets across multinational boundaries.

What he offers you

Over 40 years of research and practical applications give Jay a breadth of experience that few, if any, management consultants can claim. His thorough understanding of the fast-changing world of global competition is exactly what today's companies need in order to stay ahead of their competitors.

How he presents

Jay delivers his extensive knowledge of global organisation design in a clear, concise manner that audiences find informative and educational.
