

Jean-Stéphane Gourévitch

Director and Managing Director of Mobile Convergence Ecosystems Ltd

CSA Celebrity Speakers Ltd

Jean-Stéphane Gourévitch is an International consultant with over twenty two years' experience in the International, European and UK Regulatory, Competition & Economic Regulation, Public Policy/Public Affairs and Strategy fields in digital communications. He is currently working globally on a range of strategic and policy issues focusing on the risks and opportunities of the emerging Mobile Convergence Ecosystem, in particular Fintech, digital payments, banking & financial inclusion.

"Jean-Stéphane has a rare gift for explaining highly complex policy and regulatory issues in an engaging and clear manner."

In detail

Since 2012, Jean-Stéphane has been contributing as an editor and expert contributor to Payments Compliance, a subscription website providing market and regulatory information to its customers. He has advised public and private sector clients in Europe, Americas, Asia and Africa on the key strategic and policy risks, opportunities in digital/ mobile payments, banking & financial inclusion. He has supported the realization of a study for the EU on the new mobile convergence products/services, promising start-ups, and the identification of the most active hotspots for start-ups creation in Europe. He is a reputed speaker and thinker in digital financial services and a mentor to Fintech start-ups in the UK, Africa and Asia.
