IN DETAIL:

Zeitz is a firm believer in ushering in a new era of corporate responsibility encompassing social, environmental, and financial sustainability. During his tenure at PUMA, he spearheaded a revolutionary concept known as the Environmental Profit and Loss account (E P&L). This ground-breaking initiative assigned a monetary worth to environmental impacts throughout the entirety of a business's supply chain, paving the way for an internationally acknowledged business model that prioritises both environmental and social consciousness. By championing the E P&L and promoting sustainability, Zeitz has played a pivotal role in reshaping the corporate landscape, emphasising the importance of accountability and driving positive change on a global scale.

WHAT HE OFFERS YOU:

Zeitz's visionary thinking and commitment to responsible practices have inspired businesses worldwide to embrace a more holistic approach to their operations, considering the true costs and impacts on the environment.

HOW HE PRESENTS:

Fuelled by his quest for purpose and value, Jochen Zeitz is a captivating, dynamic, and influential speaker.
