

Dr. Marc Faber

Economist and Master Forecaster

CSA Celebrity Speakers Ltd

Dr. Marc Faber is a leading investment advisor and fund manager. He is probably best known as the publisher of a widely read monthly investment newsletter The Gloom, Boom and Doom an in depth economic and financial report which highlights unusual investment opportunities.

"The iconoclastic emerging markets specialist"

In detail

The report aims, based on economic, social and historical trends, to warn investors when investment themes have become widely accepted and are, therefore, highly priced and risky. Born and educated in Switzerland, Marc achieved a PhD in Economics at the age of 24. Between 1970 and 1978, he worked for White Weld & Company Limited in New York, Zurich and Hong Kong. From 1978 to February 1990, he was the Managing Director of Drexel Burnham Lambert (HK) Ltd. In 1990, he set up his own business, Marc Faber Limited, of which he is the CEO and also acts as an investment advisor and fund manager. He has a reputation for being a contrarian investor and has been called 'Doctor Doom' for a number of years.

What he offers you

A regular speaker at various investment seminars, Marc Faber is well known for his "contrarian" investment approach. He is in the privileged position to be able to offer decision makers essential information crucial for companies wishing to do business in today's volatile markets.

How he presents

Audiences are highly impressed by Marc Faber's well researched and brilliantly delivered presentations which are filled with numerous investment pointers and opportunities.

Topics
