

Marisa Peer

CEO and Founder of You Can Be Enough, Best-selling Author, Leadership and Motivational Expert

CSA Celebrity Speakers Ltd

Marisa Peer has been a leading therapist for over 25 years; she has a wide experience and a reputation for achieving stellar results in a short time frame. She has a client list that includes international superstars, CEOs, Royalty, and Olympic athletes. There are few female speakers today who can claim the wide expertise and profound audience reach of Marisa Peer. With nearly three decades of work as a therapist behind her - helping rock stars, royalty, Olympians, and leading CEOs overcome phobias, addiction, childhood traumas, and relationship problems - Marisa has an unparalleled ability to connect with each of her audience members on an individual level.

"Marisa was the best speaker we have ever had. Period." Mastermind Agency

In detail

Her accolades include being listed in Tatler's Guide to Britain's 250 Best Practitioners, being the only woman included in Men's Health's "Best of British" list, and listed as the leading practitioner for mental health in London's Time Out Guide. Her bestselling books have been translated into Swedish, German, Icelandic, and Korean, with her 'Ultimate Confidence' title being used as a core curriculum component in the Korean education system. Marisa has huge credibility and an ability to mix business acumen with emotional well-being which makes her a sought after speaker in the corporate world.

What she offers you

Marisa engages audiences by bringing her one-of-a-kind therapy techniques to the podium. In her talks she captivates the audiences as she gives instantly implementable and life changing tips on self-esteem and confidence.

How she presents

Maria is an authentic, amusing and engaging storyteller. Her style is open and warm she gets to the point immediately, while making sure her message is backed up with fascinating stories so they are memorable. Marisa likes to say she is a fan of "simple, small steps that have dramatic results".
