

Dr. Michael Kimmel

Sociologist and Best-Selling Author

CSA Celebrity Speakers Ltd

Michael Kimmel has received international recognition for his work on men and masculinity. Dr Kimmel is also a well-known educator concerning diversity and gender issues. His groundbreaking ideas have been featured in newspapers and magazine articles (The Wall Street Journal, The Boston Globe, People amongst others) and on television shows, such as Donahue, Sonia Live, CNN, etc.

One of the world's leading experts on diversity and gender in the workplace

In detail

Michael has lectured and run workshops for numerous corporate clients on how to implement successful gender equality programs - and why men should support them. He has also lectured at over 200 colleges and universities on the changing relations between women and men.

What he offers you

His innovative research and presentations offer a unique point of view why gender equality and diversity is in men's interest.

How he presents

No stranger to public appearances both on television and at leading conferences the world over, Michael's presentations are highly entertaining, captivating and definitely eye-opening.
