IN DETAIL:

Previously she was ITV News' Economics Editor where she led ITV's economics coverage. She has given Keynote speeches at TED, The World Economic Forum and Google Zeitgeist sharing platforms with President Bill Clinton, James Wolfensohn and David Beckham amongst others. Noreena's thinking was the inspiration for Product (RED), which has raised hundreds of millions of dollars for the fight against HIV/AIDS in Africa. Most recently she has been exploring the world of today's teenagers, who she has coined "Generation K", with articles published in the UK, US, Europe and China. Noreena has a PhD from Cambridge University and an MBA from the Wharton School of the University of Pennsylvania. She is a Visiting Professor at University College London.

WHAT SHE OFFERS YOU:

Her thoughtfully tailored keynote speeches combine a deep analytical understanding of global trends, threats and opportunities with practical solutions for how to make smarter decisions in a complex world.

HOW SHE PRESENTS:

Noreena's inspirational talks leave the audience with a clearer vision for the future, arming them with better strategies that can prepare an organisation for the future.
