

Patrick Young

Leading Expert on Financial Markets

CSA Celebrity Speakers Ltd

Patrick Young is an active practitioner and advisor in financial markets. He is the Founder and Chairman of Derivatives Vision, a securities exchange advisory and media company. He specialises in understanding the impact of new technology and market process on financial markets. He is a unique independent analyst of the prospects for market structure ranging from exchanges through to lending institutions. He is a former exchange CEO and serial director of various financial markets businesses. Nowadays he is a keen investor and advocate for emerging markets, particularly the New Europe, as well as advising investors in financial markets infrastructure world-wide.

"A passionate innovator"

In detail

Patrick has consulted to many leading financial and governmental organisations throughout the world in relation to the development of global capital markets. He serves as a director of the Swiss Futures & Options Association and has presided over the SFOA's blue riband "Crossfire" panel at their international Burgenstock meeting for the past 5 years. He is a regular guest on CNBC Europe and a media commentator in leading financial journals and digital media, including the FT, Wall Street Journal and Australian Financial Review, having broadcast on BBC, Bloomberg, CNN, ITV and Reuters as well as networks in all over the world.

What he offers you

A passionate innovator, he has been in the vanguard of introducing new products such as Single Stock Futures and Sports / Entertainment exchanges as well as various commodities. He can discuss all aspects of exchange mergers and other deals, the personalities, the risks, the regulatory issues and the new landscape emerging for exchanges and markets.

How he presents

Patrick uses his considerable expertise to advise decision makers from the finance industry on future trends in an entertaining and informative way. His thought provoking speeches are presented with insight and humour. He has keynoted world-wide and is known for an ability to deliver key concepts clearly for financial professionals and non professionals alike.

Languages

He presents in English.
