

Dr. Rob Yeung
Business Psychologist

CSA Celebrity Speakers Ltd

Rob Yeung is a psychologist who works to understand what makes us tick, what causes us to fail or helps us to succeed. He is a coach, consultant, author, conference speaker and TV presenter. He specializes in interviewing and assessing senior managers for high profile appointments and providing psychology-based executive coaching to managers and entrepreneurs alike.

"Rob's style is no nonsense and straight to the point"

In detail

Dr. Rob Yeung has worked extensively with TV production companies - both behind the scenes developing series formats as well as being in front of the camera presenting them. He has recently presented two series of a BBC television programme about careers and job hunting.

What he offers you

Rob provides coaching and training workshops for large groups (particularly in the area of management 'derailment') and provides assessment profiles of senior managers through a combination of business case simulations, psychometric testing and psychological interviewing.

How he presents

In his high content, tailored presentations Rob addresses a wide range of issues relevant to today's business structures which motivate and challenge his audiences.

Topics

The Psychology of Business
Leadership and Motivation
Executive Coaching
The Rules of Entrepreneurship
Talent Management and Retention

Languages

He presents in English.
