

Roger Bootle

Leading Authority on the World Economy and Financial Markets

CSA Celebrity Speakers Ltd

One of the City of London's best-known economists, Roger Bootle specialises in macroeconomics and the economics of the property market. He is also Economic Adviser to Deloitte and a Specialist Adviser to the House of Commons Treasury Committee.

"Some of the greatest blunders occur not through errors of fact, but errors of logic

In detail

Roger Bootle studied at Oxford University and then became a Lecturer in Economics at St Anne's College, Oxford. Most of his subsequent career has been spent in the City of London. He was formerly Group Chief Economist of the HSBC Group and, before the change of government, was a member of the former Chancellor's panel of Independent Economic Advisers, the so-called "Wise Men". A regular columnist on The Daily Telegraph, Roger also appears frequently on national television and radio and is an Honorary Fellow of the Institute of Actuaries and a Visiting Professor at Manchester Business School.

What he offers you

Roger Bootle's expertise on World and European economics is a valuable source of information for decision makers around the globe. He has a reputation for originality, forthrightness and insight which few can match. Business leaders will benefit from his astute insights and analytical brilliance of the economic landscape.

How he presents

An engaging and informative speaker, Roger uses his wealth of experience to give audiences valuable insights into the current state of global economics. He is witty, incisive and to the point making him highly sought-after as a keynote and conference speaker.
