

Roger Flynn

Investor / Director & Former BBC Ventures Chief Executive

CSA Celebrity Speakers Ltd

Roger Flynn is the Chairman of Olive Communications, a company offering converged communications solutions and Chairman of loveholidays.com, the UK's fastest growing online travel agency as well as an investor in a number of media and technology businesses.

"A practitioner in transformational change"

In detail

Roger is an accomplished businessman with over 26 years of experience. He is an expert in transformational change having gained unique experiences as the CEO/Director leading such change in five global brand name companies. Previous roles have included Chief Executive at BBC Ventures Group; Commercial Director at Virgin Communications, Managing Director of Prudential Retail and President International at SDI Media Group, a Warburg Pincus backed management buyout. Roger currently invests in fast growing businesses and sits on a number of boards.

What he offers you

Roger brings real and practical solutions to current challenges, and helps organisations discover how doing things differently can lead to incredible innovation, momentum and results.

How he presents

Roger is very engaging and inspiring when he talks. He connects with audiences at a business and personal level in a down to earth and practical way that enables them to see how the ideas and experiences can apply to them in their own situation.

Topics

- Transformational Change
- Leadership
- Culture
- Innovation

Languages

He presents in English.
