LANGUAGES:

She presents in English, Italian and Hindi.

IN DETAIL:

Over the course of her career, Gandhi presided over the advisory councils credited for the formation and subsequent implementation of such rights-based development and welfare schemes as the Right to Information, Food Security Bill, and MNREGA, as she drew criticism related to the Bofors scandal and the National Herald Case. Gandhi's active participation in politics began to reduce during the latter half of the UPA government's second term owing to health concerns. She stepped down as the Congress President in 2017, but continues to lead the party's Parliamentary committee. Although she never held any public office in the government of India, Gandhi has been widely described as one of the most powerful politicians in the country.
