

Yves-Michel Marti

Pioneer in Competitive Intelligence

CSA Celebrity Speakers Ltd

Yves-Michel Marti is the founder of Egideria and of Magentine, leading Competitive Intelligence companies in Europe. He helps his corporate clients obtain the strategic information critical for winning contracts, entering difficult markets, dominating competitors, succeeding in acquisitions and partnerships, and pro-active managing industry regulators.

2001: Yves-Michel Marti was voted Best Speaker at the annual conference of the Food Forum, Amsterdam.

In detail

Yves-Michel Marti has been a radar designer in Silicon Valley, a scientific prize winner, a professor at the University of California at Berkeley, a salesman, a marketer, a general manager in large European and American companies, an entrepreneur and a best-selling author. He is a graduate engineer in Telecommunications from one of the French top "Grandes Ecoles" and holds two Masters of Sciences from the University of Grenoble, and an MBA from INSEAD.

What he offers you

Yves-Michel Marti shares his profound understanding of the nature of information with high-level audiences. He gives business leaders tools and insights managing innovation gleaned from his experience.

How he presents

Yves-Michel is a structured trainer, clear and precise. He is brilliant at making complex things clear and understandable. He uses many examples to get simple and powerful concepts across. He is very approachable and welcomes questions.
