

Prof. Yves Doz

Professor of Business Strategy

CSA Celebrity Speakers Ltd

Yves Doz is a professor of Business Strategy and the Timken Chaired Professor of Global Technology and Innovation at INSEAD. He is a Fellow of the Academy of International Business and serves on the boards or advisory committees of various academic institutes and professional associations. His business experience includes work on multinational aircraft programmes, along with consulting for many major multinational corporations and teaching in their internal development programmes.

"The metanational hypothesis is becoming reality."

In detail

He was Director of the Management of Technology and Innovation programme at INSEAD, a multi-disciplinary effort involving about 20 faculty members and researchers which ran from 1987 to 1994. He spent the 1995/1996 academic year at Stanford University, California as a Visiting Professor and from 1976-79 he was Assistant Professor at the Harvard Business School. His research has won several awards, including the 2003 Distinguished Scholar Award from the International Management Division of the Academy of Management.
