
Alexander Stubb

Former Prime Minister of Finland

"Leading economist and expert on Europe"

Alexander Stubb has served as Prime Minister, Finance Minister, Foreign Minister, Trade and Europe Minister of Finland. He was a Member of the European Parliament from 2004-2008 and in the national government from 2008-16. He has also served as Vice-President of the European Investment Bank from 2017-20.

TOPICS:

- Global Economy
- Europe
- Society & Education
- Corporate Responsibility
- Mind & Body

LANGUAGES:

He presents in English, German and Finnish.

PUBLICATIONS:

Published 11 books on: The European Union

IN DETAIL:

Alexander Stubb's current interests are global affairs, the Fourth Industrial Revolution (digitalisation, robotisation and artificial intelligence) and health. He chaired the Finnish National Commission on Sustainable Development which is responsible for promoting national and international sustainable development goals, and works to encourage society's commitment to and involvement in sustainable development. He worked as an expert adviser at the Finnish Ministry for Foreign Affairs in Helsinki and in Brussels, and in President Romano Prodi's team at the European Commission. Aside from politics, he is passionate about "Mind, Body and Happiness". He believes that the inextricable link between the three should impact our lifestyle.

WHAT HE OFFERS YOU:

Alexander Stubb doesn't just know the EU better than most, but also has solid national experience with both finance and foreign affairs making him a sought after speaker and a frequent commentator on international affairs for many global events.

HOW HE PRESENTS:

A passionate and highly informative speaker, Alexander Stubb is in great demand to speak at prestigious events around the globe.
