

Clem Chambers

CEO of Europe's Leading Stocks, ADVFN

"One of the world's favourite financial gurus"

Clem Chambers is an author, journalist and CEO of ADVFN, Europe's leading stocks and markets website. A highly respected figure in the City of London, Clem became CEO of ADVFN in January of 2002 and steered the company from likely dot com failure into an international market leader spanning the globe.

IN DETAIL:

Involved in the software industry for over 25 years, first as a pioneer of computer games, multimedia and the internet, Clem went on to co-found and float three start-up companies and was involved in a further two. A sought after media commentator, Clem is a regular guest on major television networks including CNBC (US, Europe, Asia, Arabia), Al-Jazeera, BBC, BNN and Fox News. Clem writes for *Forbes* and regularly writes for *Nikkei BP*, the *Gulf News* and *The Scotsman* as well as specialist trading and business publications *Risk AFRICA*, *Traders* and *Your Trading Edge*. He has written investment columns for *Wired Magazine*, which described him as a "Market Maven".

WHAT HE OFFERS YOU:

Clem's intricate knowledge of the workings of the financial markets is highly sought after. In his presentations, he displays in abundance his excellent risk management skills.

HOW HE PRESENTS:

Clem's high content tailored presentations are always well received. His messages are concise and informative, delivered in his personal, yet highly professional style.
