IN DETAIL:

Damian founded LiquidThinker in 2006, the professional advisory company offers leadership and change management tips through workshops and motivational speeches to businesses all over the UK. With people including Richard Branson, Muhammad Ali and Tiger Woods supporting the prospects of the idea, LiquidThinker has established itself as a highly regarded change psychology consultancy. Previously, he was an HR Director at Unilever, leading a performance turnaround at Unilever's oldest manufacturing site. Damian is the co-host of The High-Performance Podcast, an acclaimed series of interviews with elite performers from business, sport and the arts, exploring the psychology behind sustained high performance.

WHAT HE OFFERS YOU:

Damian takes the psychological methods used by great achievers to show, in easy steps, how you can adopt them into your own life and business to enjoy similar success. He has been able to identify values, behaviours and techniques that are transferable to the world of business.

HOW HE PRESENTS:

Damian inspires audiences with his down to earth approach, fabulous stories and really challenges people's thinking on what effective communication really is.
