IN DETAIL:

Dee Snider showed a talent for music early on, joining Twisted Sister in 1976. In addition to his extensive voiceover work and hosting duties, Dee wrote, produced and starred in Dee Snider's *StrangeLand*, a horror film credited with creating the torture film subgenre. With the success of his horror movie, he was tapped to host a weekly radio show, *Fangoria Radio*, spotlighting the horror genre on the Sirius network. Appearances on *Celebrity Apprentice*, *Celebrity Wife Swap* and *Gone Country* have further made him one of the most recognisable personalities in entertainment today.

WHAT HE OFFERS YOU:

In his presentations, Dee shares his compelling, funny, and at times touching stories and experiences. Believing that everybody is capable of becoming a "rock star" in their own life, Dee proves it by showing how his life lessons perfectly translate to help any career.

HOW HE PRESENTS:

Through Dee's masterful storytelling and brutal, self-deprecating honesty, audiences will come away both entertained and inspired.
