

A photograph of Derren Brown, a man with dark hair, wearing a grey pinstripe suit jacket over a white shirt and a dark tie. He is standing against a solid red background, looking down and slightly to his left.

## Derren Brown

### Psychological Illusionist

*"Derren Brown has taken the cheese and sleaze out of showbiz magic and restored a sense of wonder." Time Out*

Derren Brown brought to notoriety by his TV programmes, he captivated the public with his rare combination of psychology, intuition and magic. He is a class act that has refreshed the image of magic making it an intellectual and must-see contemporary art form.

#### LANGUAGES:

He presents in English.

#### IN DETAIL:

Although a graduate in law and German, he opted to pursue his growing interest in psychological magic. Initially performing in bars and cafes he supplemented his income with his caricature portraits of well-known figures. This all changed with his first TV show in 1999, when recognition of his talent really took off.

#### WHAT HE OFFERS YOU:

His is a new genre of magical entertainment. With his complex technique he is able to forecast and control human behaviour – all in a mesmerising way. He has re-cast the mould for fellow entertainers and audiences alike – a unique performance in its truest sense.

#### HOW HE PRESENTS:

Calm and charismatic you are instantly drawn into his performance, seeing really is believing.
