2000 Distributive Justice and Economic Development: The Case of Chile and Developing Countries (Development and Inequality in the Market Economy) - co-editor

IN DETAIL:

Dr. Aninat previously held a range of economic positions in the Chilean Government; these included chief senior negotiator for bilateral Canada-Chile trade agreement, and chief debt negotiator and senior advisor of the Central Bank of Chile and the Ministry of Finance. He has also been working as a consultant with large firms, and international institutions such as the World Bank and the Inter-American Development Bank and has advised several governments on matters ranging from tax policy to debt restructuring. He has been a member of the Board of Directors of several private companies and institutions in Chile and abroad.

WHAT HE OFFERS YOU:

Eduardo Aninat's experience in working with multilateral institutions and government, positions him uniquely to address the challenges of globalisation in the areas of trade and finance in the context of developing nations. He has been one of the most influential and important members of the executive board of the IMF.

HOW HE PRESENTS:

Eduardo Aninat is a highly respected speaker who discusses critical issues, conveys practical survival tactics and shows audiences how to adapt to the ever-changing global economy in his informative presentations.
