IN DETAIL:

Listed regularly as one of the world's most influential, living, management thinkers, Fons has been awarded the International Professional Practice Area Research Award by the American Society for Training and Development. He was voted one of the top 20 HR Most Influential International Thinkers 2011 by HR Magazine. He is also ranked in the Thinkers50 2011, 2013 and 2015 as being one of the most influential management thinkers alive. Fons was inducted in the Thinkers50 Hall of Fame in 2017 which salutes distinguished Management Thinkers and their contributions.

WHAT HE OFFERS YOU:

Having developed a model to analyse cultural differences, the so-called "Seven Dimensions of Culture Model", he shows how managing complexity in a heterogeneous environment is a major challenge for today's international managers and corporate leaders as well as a critical component of long term success.

HOW HE PRESENTS:

Fons presents in an entertaining, thought-provoking way and gives interactive introductions into a topic with the aid of examples and best practices that relate to the audience's daily work situation and its implications globally.
