IN DETAIL:

Dr. Richter has lived, studied and worked in Asia for almost a decade, principally in Tokyo and in Beijing where he developed and managed European Multinationals' China operations. His writings appeared in the financial and regional press, such as *The New York Times*, *The Wall Street Journal*, *The Business Times*, *The Straits Times* and the *South China Morning Post*. He has been interviewed by several publications and appeared on *CNN*, *BBC*, *CNBC*, as well as *CCTV* (China Central Television). His company Horasis hosts annual meetings to advance solutions to the most critical challenges facing corporations today. Prior to founding Horasis, Dr. Richter was a Director of the World Economic Forum.

WHAT HE OFFERS YOU:

As one of the world's significant voices upon corporate globalisation and Asian business, Dr. Richter encourages organisations to grow globally in order to thrive. He particularly focuses on Asia as a springboard for globalisation as he assists multinational corporations to craft strategies to develop into real global champions.

HOW HE PRESENTS:

An informative speaker he has an unrivalled reputation for his ability to use distinctive scenarios on how to map the future to illustrate his proposals.
