IN DETAIL:

Gerd has been listed by Wired magazine as one of the Top 100 Most Influential People in Europe, and as "one of the leading media futurists in the World" by The Wall Street Journal. Over the past two decades, he has risen to one of the top 10 futurist keynote speakers worldwide and has recently become the #1 virtual speaker in the age of Corona. His diverse list of clients includes countless governments, NGOs and Fortune 500 companies. A true thought leader in the futurist space, Gerd is above all a dedicated humanist who believes that all technological progress should further collective human flourishing.

WHAT HE OFFERS YOU:

As a Futurist and Humanist, Gerd tells the story of People, Planet, Purpose and Prosperity. He is a leading global influencer in the field of digital ethics.

HOW HE PRESENTS:

Gerd's acclaimed and pioneering (both live and virtual) keynote presentations use animations, video and audio in fascinating new ways.
