LANGUAGES:

He presents in English.

IN DETAIL:

Hans joined Deloitte in 2016 coming in from Gartner where he was a VP of Research. In this role he helps shape Deloitte's global research agenda in addition to identifying and driving a number of EMEA research initiatives. He is also a Fellow at Deloitte's Center for the Edge as well a part-time Executive Lecturer at Nyenrode Business School on the topic of Digital Disruption and Innovation. Hans is an experienced keynote conference speaker. He recently returned from a global tour presenting Deloitte's Global TechTrends and Technology Operating Model research to financial services and insurance companies across the world. Since 2000 he has delivered more than 800 keynotes at conferences and in boardrooms worldwide on the topic of Digital Disruption and Digital Transformation.

WHAT HE OFFERS YOU:

Given his deep technological knowledge and his exposure to numerous global sectors and industries, Van Grieken is well positioned to identify re-usable Digital best in class solutions from other industries. Business leaders realise they need to pay more attention to the fundamental technology driven changes that are shaping their future business environment, and that it is their responsibility to act swiftly.

HOW HE PRESENTS:

Hans is an engaging, powerful and extremely energetic and passionate keynote and corporate speaker with a broad experience across the world.
