Work for in Canada

IN DETAIL:

Jim earned his BA at Queen's University, has lived and worked in Europe, Australia and Canada and now lives in Toronto. Jim Harris joined Cleantech Group TM in 2006 as the Managing Partner for Cleantech Advisors. Jim is also the former leader of the fiscally responsible Green Party of Canada. *Association* magazine ranked him as one of the nation's top ten speakers. As a management consultant Jim conducts internationally strategic planning sessions with executive teams, focusing on the most pressing issues. He successfully explores this new style of decision making by answering some of the most important questions about "blindsidedness". He is an international bestselling author.

WHAT HE OFFERS YOU:

Jim is skilled not only as a platform speaker, but is experienced in leading strategic planning sessions with executive teams. His thoroughly researched and individually tailored programs focus on key leadership issues affecting all organizations. A gifted communicator, it is ultimately his obvious concern for people, and his commitment to increasing the individual and organizational growth of his clients.

HOW HE PRESENTS:

As a speaker and workshop leader Jim delivers interactive, original and thought provoking discussions on the most pertinent issues of leadership, change, innovation, the learning organisation, customer retention and future trends.
