

Jim Snabe

Digital Transformation & Leadership Expert

"2019 AIB Fellows International Executive of the Year Award"

As a Leadership Speaker, Jim Snabe is a renowned business leader, author and technology strategist with a distinguished career at the intersection of digital innovation and corporate leadership. With a deep passion for sustainable transformation and responsible leadership, Jim brings a forward-looking perspective to the challenges and opportunities shaping the global economy.

TOPICS:

- Leading Digital Transformation
- Sustainable Leadership
- The Future of Industry 4.0
- Corporate Governance in the 21st Century
- From CEO to Chairman

LANGUAGES:

He presents in English.

PUBLICATIONS:

- 2020** Tech for Life
- 2017** Dreams and Details

IN DETAIL:

Jim currently serves as Chairman of the Supervisory Board of Siemens AG and Chairman of Northvolt, a Swedish battery developer and manufacturer focused on enabling a sustainable energy future. He is also a member of the Board of Trustees at the World Economic Forum, where he co-chairs the Centre for the Fourth Industrial Revolution and Board member of C3 AI, a leading Enterprise AI Software Production. Previously, Jim was Co-CEO of SAP, the world's leading enterprise software company, where he played a pivotal role in transforming the company into a leader in cloud computing and innovation. He is Co-author of "Dreams and Details" – a book about leadership in times of change and Co-author of "Tech for Life" – a book about putting trust back in technology as a force for good.

WHAT HE OFFERS YOU:

With his rare blend of strategic insight, executive experience, and visionary thinking, the renowned Speaker, Jim Snabe, inspires leaders across industries to embrace change, lead with purpose, and drive meaningful impact.

HOW HE PRESENTS:

Audiences value his clarity, optimism, and actionable insights into building organisations that thrive in a complex, interconnected world.
