Risiko Deutschland: Krise und Zukunft der deutschen Politik (Risk Germany: Crisis and Future of German Politics)

IN DETAIL:

Upon his appointment as Minister of the Environment and Energy for Hesse in 1985, he was the first German Green to assume a government post. Joschka Fischer served in various capacities in the Hessian State Assembly; as Hessian Minister for the Environment, Energy, and Federal Affairs; and as Parliamentary Spokesman for the Green party in the German Bundestag, the Federal Parliament. He has held a professorship at the Woodrow Wilson School of Public and International Affairs at Princeton University. One of Germany's longest serving Foreign Ministers, Joschka Fischer looks at the challenges and opportunities facing Europe.

WHAT HE OFFERS YOU:

Joschka Fischer is greatly admired for his personal integrity, charisma and pivotal position in critical national dialog about his country's role in European integration. He offers audiences tremendous insights into international political developments and the socio and business scene. Fischer also demonstrates what it takes to successfully negotiate on the international platform. His political commentaries are syndicated internationally.

HOW HE PRESENTS:

His leadership qualities and his outstanding rhetoric qualities have made Joschka Fischer one of the most requested political speakers across the globe.
