

Matteo Renzi

Former Italian Prime Minister

"A visionary reformer and global thinker"

Matteo Renzi is the former Prime Minister of Italy and one of Europe's most dynamic and reform-minded political leaders. As Italy's youngest ever head of government, he led an ambitious programme of constitutional, labour, and public administration reforms that reshaped the country's political landscape.

TOPICS:

- Leadership in Times of Change: Turning Risk into Opportunity
- The Future of Europe: Unity, Innovation, and Global Competitiveness
- Political Courage and the Art of Reform
- Building a New Generation of Leaders
- Technology, Influence, and Democracy in the Digital Age

LANGUAGES:

He presents in Italian and English.

PUBLICATIONS:

2024	Palla al centro: La politica al tempo delle influence
2017	Avanti! Because Italy does not Stop
2013	Beyond the Scrapping
2012	Still New

IN DETAIL:

Renzi is the youngest person to serve as Italian Prime Minister and was the youngest leader in the G7. Following his time as Prime Minister, Renzi founded Italia Viva, a centrist political movement promoting pragmatic progress and civic renewal. He continues to serve as a Senator of the Italian Republic and remains a key figure in shaping Italy's reform agenda. In 2024, Renzi joined the Tony Blair Institute for Global Change as a Strategic Counsellor, where he contributes his experience to support international reform programmes and leadership development worldwide. He also serves on several international advisory boards and remains active in global dialogue on democracy, technology, and the future of governance.

WHAT HE OFFERS YOU:

HOW HE PRESENTS:

Renzi brings the energy and charisma that defined his leadership to every stage. His presentations combine political insight and personal reflection, leaving audiences with a deeper understanding of the challenges and opportunities of modern leadership.
