IN DETAIL:

With a career at three of the top global advertising agencies and as founder of her own strategic inspiration company, Play Big Inc, Nancy has a rich history of advising and learning with some of the top companies in the world. Nancy has been on the board of retail trade association GMDC, on the advisory council for both Retail Tomorrow and Future Frontiers, co-designed + produce a fintech conference to strengthen community banking, and is helping champion two brands poised to weave a more human, distributed internet: Holochain + Holo hosting. A techno-optimist Nancy is committed to advancing societal structures and new mindsets necessary to effectively harness the significant technology innovations heading our way and ensure a safe and thriving future for us all.

WHAT SHE OFFERS YOU:

Nancy Giordano has a drive to help enterprise organizations and bold leaders transform to meet the escalating expectations ahead. She is globally revered for her ability to make the future practical and to help you build achievable success in the future.

HOW SHE PRESENTS:

Nancy is knowledgeable, passionate and a fantastic, uplifting communicator who is a popular choice at events all over the globe.
