## IN DETAIL:

With a PhD in Psychology from King's College London and a First Class Honours degree from the University of Bristol, Dr Rob Yeung brings academic rigour and commercial experience to his work as a Speaker. A Chartered Psychologist with the British Psychological Society, he is also a Director at Talentspace, a leadership consulting firm, where he works with executives, teams and organisations to improve effectiveness and performance. Earlier in his career, Rob worked as a consultant with leading management consultancy The Boston Consulting Group. Today, his clients include major organisations such as HSBC, Shell, BBC, ASOS, KPMG and the Royal College of Physicians.

## WHAT HE OFFERS YOU:

Dr Rob Yeung offers evidence-based insight that translates directly into better leadership and performance. The Speaker helps organisations understand the psychology behind high achievement, confident communication, effective teams, motivation and change, combining credible research with practical tools and ideas.

## HOW HE PRESENTS:

Intelligent, energetic and highly engaging, Dr Rob Yeung combines psychological research with humour, compelling examples and practical business insight.
