## IN DETAIL:

Sandra holds a law degree and a Master-of-Law Degree in Banking Corporate and Finance law. She is admitted to the practice of law in Germany as well as in the U.S. She continues to work closely with Professor Nouriel Roubini and her former team at Roubini Global Economics. Until 2001, she was a Manager in the international capital markets department at Deloitte & Touche in Germany, where she specialised in alternative investment structures. Thereafter, Sandra moved to New York to accept a position as General Counsel at Muzinich & Company, a $6 billion alternative asset management company. Her numerous responsibilities included the creation of innovative fund structures for institutional clients and resolving international regulatory issues.

## WHAT SHE OFFERS YOU:

Building on Sandra's financial expertise and global top-level relationships, she helps clients navigate successfully through today's evolving economies, markets and regulatory policies.

## HOW SHE PRESENTS:

Undoubtedly of highest economic pedigree, Sandra is in frequent demand to keynote summits and conferences around the globe.
