

Shivvy Jervis

Award-winning Futurist, Europe's Top 30 Women in Digital

"Incredible Innovations are all around us"

Shivvy Jervis, named a Champion of Change, is one of Europe's most trusted guides on incredible innovations and how to use them so we can thrive. On a mission to humanise digital, Shivvy's fronted a gripping, two-part Discovery Channel documentary, been turned into a hologram to educate thousands, chaired gripping debates with influential leaders, and is called on by the BBC, Forbes and the FT.

TOPICS:

- Incredible Digital Innovations Shaping your Industry
- "New" Science Behind... Series: Applying Neuroscience to Enhance Work
- The Future is Human - Shifts in Jobs, Skills
- Deep Dives: AI, Metaverse or the Connected World (IoT)
- Driving Digital Transformation
- Neuroscience at Work
- What is Humanity 5.0
- What's Next for the Media Industry?

LANGUAGES:

She presents in English.

IN DETAIL:

Shivvy is envisioning the Future of global cities in 2040 for the office of the Mayor of London, keynoted for the United Nations and is filming a new documentary on the most radical breakthroughs that will define this decade. With over 12 years of broadcasting experience, Shivvy demystifies future innovation in the award-winning web series, Digital Futures and The Trailblazers. Shivvy investigated the future of cities and aviation for two-part series Discovery Channel documentary Piloting the Digital Future. A former contributor to CNN Asia and Reuters, Shivvy has also fronted mini-investigative feature Six Jobs of the Future, chaired live debate series Ringside Sessions and hosts the NextTech Insider interview series.

WHAT SHE OFFERS YOU:

Both an expert and storyteller, Shivvy's three most in-demand themes span the impact of digital innovations from AI, Metaverse and the connected world; jobs and skills of the future and applying neuroscience to create engaged workforces and customers.

HOW SHE PRESENTS:

Professional and truly powerful, this award winning speaker has many high profile credits and is an ideal choice whether speaking, or facilitating events.
