Stephen Attenborough

Former Commercial Director of Virgin Galactic

"Stephen Attenborough considers himself to have the best job in the world if not the universe!"

Stephen Attenborough's name is synonymous with the opening of space to private individuals. At Sir Richard Branson's personal invitation, he joined Virgin Galactic as employee number one in 2004, to lay the commercial foundations of the world's first spaceline.

TOPICS:

- Opening Access to Space for the Benefit of Humankind
- Making the Impossible, Possible
- Keeping Customers on your Side and by your Side
- Creating and Maintaining an Entrepreneurial Culture which Survived and Thrived on the Challenging Road to Space

LANGUAGES:

He presents in English.

IN DETAIL:

Stephen went on to become the company's Chief Customer Officer, responsible for initiating and guiding the customer journey to the transformative experience of spaceflight. His extraordinary 18 years with the company, culminated in Richard's history making trip to space and saw Virgin Galactic become the first human spaceflight company to be taken public with its $3bn NYSE listing. Today, Stephen remains a part of the Virgin family as a Board member of the Virgin Group's foundation, Virgin Unite.

WHAT HE OFFERS YOU:

Stephen enlightens audiences on the impact of new technologies on businesses, guiding them towards driving innovation and growth through the synergy of innovative people and technology.

HOW HE PRESENTS:

Immensely entertaining and highly enjoyable, Stephen's presentations are a perfect mix of new ideas and sound business know-how.
